STOCKS

The big leap in Atlanta, which closed yesterday at 39-40, and opened this morning at 39-40, there being exactly 50,000 shares traded in with 41 as the top mark, was the feature in today's market. It is said that 14 feet of \$30 ore has been cut in the Atlanta raise, the vein being the one that occurs in the Jumbo Extension. The find was not announced until early this morning.

The following are the closing stock quotations, and the record of the day's sales, as received from the San Francisco stock exchange this afternoon by Broker H. E. Epstine:

TWENTY YEARS WEDDED AND STILL ARE HAPPY

MR. AND MRS. A. L. BROWN GREET FRIENDS ON MARRIAGE ANNIVERSARY

Last night, at their charming home on Montana hill, Mr. and Mrs. A. L. Brown celebrated the twentieth anniversary of their marriage. The rooms were beautifully decorated, the color scheme being violet. Cards and other games were indulged in, the prizes being beautiful and numerous.

During the evening the happy couple were serenaded by a chorus of ladies, who sang the ever beautiful poem, "Oh, Promise Me."

Little Miss Gloria Brown, aged 3 years, acted as flower girl and distributed bunches of violets to each guest.

At 1 o'clock the guests sat down to a royal banquet. At its conclusion Mr. J. L. Hasman, after a few well chosen remarks, presented an annotated piece of zwilbach done up in a package tied with blue ribbon which he had carefully carried about all evening in a paper bag. He called it toast and it was for some reason deeply appreciated by the host.

The following toast was then given:

"It matters not how many spring times Or summers or winters may go; Or that old Father Time with his stealth May stamp your locks 'til they're white as snow.

No matter how blue be your outlook Or black should your fortunes go down, Or how rosy and golden your pathway.

In our hearts you will always be 'Brown.'"

Mr. and Mrs. Brown received many beautiful and costly presents, among them a set of Haviland china.

It was far into the morning hours when the last guest had departed after congratulating the host and hostess on their charming entertainment and wishing them many happy returns of the day. Those invited were:

Mr. and Mrs. J. L. Hasman, Mr. and Mrs. Thom. Lindsay, Mr. and Mrs. Aleck Dewar, Mr. and Mrs. R. B. Davis, Mr. and Mrs. J. W. Stewart, Mr. and Mrs. E. A. SUDENBERG WINNER OF A HARD FIGHT

KNOCKOUT BROWN BREAKS HIS RIGHT HAND EARLY IN THE CONTEST

The fistie carnival last evening at Goldfield was witnessed by a crowded house. Tonopah had a good representation. Seventy-three left here by special train at 6:15, returning about 2:45 this morning, while at least 40 others made the journey by auto.

Johnny Sudenberg added another to his long list of victories, but he well deserved the decision that was given him on points at the end of the tenth round, for he mixed it fast and furious with his antagonist, Knockout Brown of Taft, Cal., from the tap of the gong. For the first few minutes it appeared that Brown would be the victor, when a poorly calculated blow resulted in his breaking of two of the bones in his right hand. From that time on he was compelled to use his left only and thus was placed at a considerable disadvantage, although he put up a good defensive battle until the conclusion.

Speck Duffy and Pete Morris, both of Goldfield, put up a snappy four-round preliminary, at the end of which the decision was given to Duffy. Conley of Los Angeles and Kid Williams of Butte, who was substituted at the last moment for Logal, fought six good rounds and Conley was declared the winner. There was a little betting done and all the decisions were favorably received. Quite a number of pugilists were introduced, some of whom challenged the winners of the major and preliminary bouts.

TAKES INITIATIVE IN TREE PLANTING IN TONOPAH

H. H. Bacon has entered upon a tree planting campaign. He has imported 100 cottonwood trees to be disposed of for cost and if there is sufficient demand he will send for a further order. He plans to have clubs formed for the purpose of bringing in trees and planting them.

BUTLER THEATER

At the Butler this evening another interesting program of vaudeville and pictures will be shown, as follows: Master Fred Locke, the boy singer, will be seen in new songs. The pictures will include Hearst-Selig Weekly of Current Events; "The Hair of Her Head," a Sidney Drew comedy, and "The Girl from Thunder Mountain," an Essanay two-reel drama. This is a story of the transformation of a ragged, ignorant Virginia mountain girl into a beautiful debutante of New York society. A young engineer who holds the poor southern white trash in contempt fails to recognize the girl whom he had met in the Virginia mountains after her year in New York. Of course, he falls in love and is very much ashamed of his previous prejudices. It is well acted with a cast including Richard Travers and Ruth Stonehouse as principals. Tomorrow, "Runaway June," Monday, "Zudora" and "Dough and Dynamite" with the only Charles Chaplin. Tuesday, another Broadway star feature. Adv.

COMSTOCK IS SEEKING TO ENTER INTO LISTS

Tonopah is rejoicing over the activity in the silver. It has now passed the fifty-cent mark and many are predicting that it will reach the altitude record, that it will go almost to the dollar mark, anyway.

Say, asks the Territorial Enterprise, wouldn't it be just jolly if the old Comstock would have her comeback just now when the price of the metals is going sky-high? Such a thing is both possible and probable, as the unwatering of the lower levels of the north end mines opens a large field for exploration. If a strike is made here, Tonopah will have to fight for the honors in the entertainment line.

Our cash system gives reduced prices throughout all departments. RYAN & STENSON.
